## 3 Students Share Valedictorian Honors for Romulus High School's "Class of 2003"

Leslie Perez

Robert Rice, Jr.

Hilary Kozma

Three Romulus High School seniors who maintained a grade point average of better than 4.0 will share the valedictorian honors when the Class of 2003 holds its commencement ceremonies on Saturday, June 7.

### Leslie Perez

Leslie Perez, whose four-year GPA of 4.0767 led the class, plans to attend Purdue University, where she will enroll in the honors program for genetic engineering. She has been awarded a total of \$13,000 in valedictorian and academic scholarships from Purdue, as well as a \$2,500 MEAP (Michigan Educational Assessment Program) Scholarship, to help pay for her studies.

At the annual Award's Night program, held May 14, Perez walked away with the RHS Science Department Award as well as a Society of Women Engineers Award and a Women in the Science Learning Community Award. She was a member of the Student Leadership Council, the Symphonic Band, and the Marching Band, and was active in various community-service organizations.

Her proud parents are Manuel and Rosemary Perez.

### Robert Rice

Robert Rice, Jr., maintained a GPA of 4.023 during his four years at Romulus High School. He plans to attend the University of Michigan—Ann Arbor, where he will begin his studies in the School of Literature, Arts and Sciences before entering the School of Business Administration after his first two years. He has

received a \$2,500 MEAP Scholarship as well as a \$500 Ray Kroc Scholarship to help pay for his education.

In addition to the Elizabeth Zulkey Social Studies Award, Rice received departmental awards in both math and physics at the recent Awards Night program. His impressive list of extracurricular involvements includes membership in the National Honor Society, Chess Club, School Tutorial Program, and Principal's Advisory Board. He also participated in Quiz Bowl and FIRST Robotics competitions and played on the school's baseball and soccer teams.

Parents Robert Sr. and Kathy Rice are very proud of his achievements, as is sister Kristi, a junior at RHS.

### Hilary Kozma

Hilary Kozma, who has a four-year GPA of 4.0228, plans to study history in

the honors program at Lake Superior State College, with a goal of eventually entering law school. A four-year/\$24,000 University Board of Trustees Distinguished Scholar Award and a \$500 Romulus Boosters Club Scholarship will be a big help in paying for her education. She also earned a \$2,500 MEAP Scholarship.

Kozma, who garnered the Co-op Award at the High School's recent Awards Night program, played on the tennis, soccer, and Quiz Bowl teams at RHS, and was also an active member of the National Honor Society, the Community Service Learning Club, and the Class Council.

Among her proud family members are her parents, Stephen and Mary Kozma, and her brother Jared, currently a sophomore at RHS. □

## Letters to the Editor

### Eagle Scout Candidate Thanks Donors

Eagle Scout candidate Jonathan McLachlan (right) – pictured here with some of his fellow Troop members – was grateful for the use of a brand-new Safari cargo van (courtesy of Rowan Pontiac/GMC of Southgate), which allowed him to deliver the televisions and video game systems he collected for children at the C.S. Mott Children's Hospital.

To the Editor:

Recently, your paper ran my letter regarding my Eagle Scout project to benefit the C.S. Mott Children's Hospital at the University of Michigan in Ann Arbor. [See *TRN*, April 4, 2003.] I would like to take this opportunity to thank you for your support and coverage of this project. I was successful in gathering 14 brand-new 13" color televisions and 15 complete video game consoles, along with 100+ games, to take to the hospital.

I would like to thank the following for all their help and support:

- Romulus Mayor Alan R. Lambert
- Romulus City Councilpersons LeRoy Burcroff, Charles Miller, and Debbie Romak
- Romulus Community Schools Board of Education members Cheryle Buckley (and family), Betty Lenossi, Kenneth Mientkiewicz, Celeste Roscoe, and Niema White
- Osborne Concrete Co., Inc.
- Greg Kane, store manager, Meijer-Southgate
- residents of Romulus, Taylor, Wayne, Lincoln Park, Trenton, and Wyandotte

Of course, my family and friends, including my fellow Scouts in Troop 833 here in Romulus, also deserve my gratitude for their kind donations and assistance.

A special thank-you is in order for Jody Smith and Pam Messimer from Rowan Pontiac/GMC in Southgate for their last-minute donation of the use of a brand-new Safari cargo van to deliver the items to the children.

Jonathan McLachlan

### Bus Cuts Are "Outrage"

To the Editor:

A new bill reported out of the Senate Appropriations Committee on May 1 threatens to gut local bus transportation by severely cutting State funding to both SMART and D-DOT. Under Senate Bill 265 (the MDOT budget bill), SMART and D-DOT would lose \$11 million combined, while most other public transit agencies in Michigan would be given increases averaging 0.5%.

Worse yet, Senator Shirley Jackson of Royal Oak justified the cut to SMART in part because local residents voted to raise an additional \$23 million annually for SMART through the local SMART millage. Senator Johnson asserted that SMART therefore no longer needs its share of the \$11 million in State funds. That is dead wrong. We taxpayers were voting not to take on the State's funding burden for ourselves, but simply to supplement State funds with our taxes.

Reducing State support for SMART and D-DOT is an outrage to the people of southeast Michigan, who voted to pay more taxes to improve our public transit systems. As Senator Mickey Switalski and others stated, it's like an employee who decides to put more money into his 401(k) retirement plan, only to have his employer remove the same amount in employer contributions. Indeed, with so much of SMART and D-DOT's funding being transferred to outstate transit systems, it's more like the employer moving his/her contribution from the employee's account to that of a competing employee.

Senate Bill 265 is a fraud on the taxpayers of southeast Michigan. We're paying our fair share for public transit in the region. The State should continue to do so, too.

## "Law Day" Program

Judge Brian A. Oakley gave student Patrick Webb a chance to try out his seat on the bench of the 34th District Court of Romulus during the court's annual Law Day program, held May 1. The popular event, which always features a mock trial, educates area high-school students, senior citizens, and other members of the community about their rights and responsibilities under the law.

One of the things that Chief Judge Tina Brooks Green – pictured here with student Gavin Hulet – enjoys the most is watching the young people interact with the many senior citizens who take part in the program.

## Household Hazardous Waste Event Hosted by Emergency Planning Committee, Local Business

Romulus residents who would like to learn more about the safe disposal of household hazardous wastes, or who would like to take advantage of an opportunity to dispose of them at no charge, are invited to take part in a Household Hazardous Waste Event to be held at the City of Romulus Department of Public Works building (21600 Wayne Road) on Saturday, June 21, from 9 a.m. to 5 p.m. The program is being hosted by the Local Emergency Planning Committee and a number of area businesses.

Margaret Leduc, emergency management coordinator for the City of Romulus, said that LEPC chairman Tom Rang from General Motors Powertrain Romulus Engine was largely responsible for getting the project started.

"Tom strongly believes in the responsible disposal of chemicals," she explained. "Recognizing the cost of an endeavor like this one, he contacted a number of Romulus businesses and community organizations and asked for donations to help defray the costs."

Among those who stepped up to help out with this worthy program are:

- Barrett Paving
- Blue Waters
- Buck Oil
- ChemCentral

- Chemical Analytics
- DST
- EQ Transfer & Processing
- First Flight Services
- GKN Sinter Metals
- GM Powertrain Romulus Engine
- GM RTO
- International Airport Center
- International Paint Stripping
- K&D Industrial Services
- Kreher Wire Processing
- Local Emergency Planning Grant
- Marathon/Ashland Oil Co.
- Nelson Paper Recycling
- RECAP (Romulus Environmentalists Care About People)
- RKA Petroleum Terminal
- Romulus Rotary
- Saturn Electronics
- Soave
- Speedway Gas Stations
- Waste Management
- Wayne/I-94 Shell
- Woodbridge Corp.

Leduc was pleased with the outpouring of support from local businesses, some of which use and/or store large amounts of hazardous materials on their premises, and others that just share Rang's dream of protecting the community's health and welfare through the safe and responsible disposal of wastes.

For those who would like to use this opportunity to rid themselves of hazardous household waste, Leduc has compiled the following list.

### Acceptable Items Include:

- **Garden** – fertilizers, herbicides, fungicides, insecticides, rodent poisons;
- **Kitchen/Bathroom** – floor-care products, furniture polish, bug sprays, nail polish, nail-polish remover;
- **Household-maintenance Products** – dry-cell batteries, cutting oil, metal cleaners, paintbrush cleaners, turpentine, polyurethane, varnish, wood stains/preservatives, oil-based paint, paint thinners/strippers, drain cleaners, kerosene, tar, unbroken fluorescent light bulbs;
- **Vehicle-maintenance Products** – auto paint, antifreeze, brake fluid, gasoline, motor oil, transmission fluid, windshield-washer fluid (with anti-freeze), car cleaners, car wax.

### Unacceptable Items Include:

Unknown/unlabeled wastes, radioactive materials, shock-sensitive materials, explosives, munitions, smoke detectors, gas cylinders, fire extinguishers, tires.

For more information about the Household Hazardous Waste event, call Leduc's office: 734-941-8585. □

## RHS Commencement Set for June 7

Commencement ceremonies for Romulus High School's Class of 2003 will begin *promptly* at 10 a.m. on Saturday, June 7, in the High School Field House. Guests (admitted by ticket only) are strongly urged to arrive at least 30 minutes early, as a large crowd is expected, and late arrivals will not be seated if it would be disruptive to the quality of the ceremony. A professional photographer will be taking pictures, and a videotape of the ceremony will be available for purchase.

The Class of 2003 has completed a very distinguished educational career at Romulus High School. Fifty-nine students earned academic honors by maintaining a grade point average of at least 3.0 for four years.

Principal Dan Hurst, who noted that college scholarship awards have already begun to arrive at the RHS guidance office, is pleased with the students' scholastic achievements.

"Members of the Class of 2003 received a total of \$100,000 in MEAP [Michigan Education Assessment Program] scholarships, and another \$20,000+ from local community groups," said Hurst. "The Romulus Rotary, Kiwanis Club, Romulus Arts Council, Mayor's Task Force, Romulus Athletic Boosters Club, Romulus Education Association, and Romulus Association of School Administrators presented handsome awards.

"An equally impressive list of memorial scholarships includes the Lorena Burton, Robert Brock, Mikey Markus, Aaron Tigner, and Doug Allen awards," he added.

Former teacher Mildred Washington and local businesses such as Special Tree, Header Products, and McDonald's also gave generously.

The scholarship announcements were made during the High School's annual Awards Night program, held on May 14. The ceremony also recognized the Class of 2003's honor student and the winners of the school's various departmental awards.

Entertainment was provided by the award-winning Romulus High School Jazz Band, under the direction of Henry James.

Dignitaries in attendance for the program included Betty Lenossi, acting president of the Romulus Board of Education; Cheryle Buckley, Board secretary; Kenneth Mientkiewicz, Board trustee; Tom Dolan, curriculum director; and Doug Hoffman and Don Foley, assistant principals at Romulus High School.

The program was organized and hosted by the guidance staff, including department head Mae Jackson, John Domas, Jim Orme, and Florence Satterlee. Guidance secretary Ellen Bragg prepared the program and provided additional assistance with plaques and certificates. □

Superintendent Joel R. Carr was "very proud" of the accomplishments of district employees and students.

"We received many favorable comments from guests about both the number of awards accorded to the Romulus school district and the outstanding performance of our jazz groups," he said. □

### Thank You! Thank You!

The Romulus Senior Center would like to thank Councilman Charles Miller and local resident Sylvia Dubisky for generous donations which permitted the Center to purchase a new banner to be used in parades and other special events.

### Tax Program Was Huge Success

Volunteer tax counselors at the Romulus Senior Center helped more than a hundred local senior citizens – including 50 home-bound seniors – prepare their tax forms this year. Their efforts are greatly appreciated.

Those who have not yet submitted their Home Heating Credit form to the State of Michigan are reminded that the deadline is September 1.

### Senior Olympics

The Romulus Senior Center reminds local residents that the registration deadline for the 2003 Downriver Senior Olympics – to be hosted by Lincoln Park the week of August 4–8 – is Friday, June 27. For a complete list of events, and/or a registration form, stop in at the Center.
